BSL RECOVERS DE NARDO'S BOND MONEY

BY STACEY CATO

MIKE DE NARDO

After two years, the city of Bay St. Louis has recovered financial compensation from the late Bay St. Louis Police Chief Mike De Nardo's municipal bond. In September 2016, De Nardo had been suspended without pay pending an investigation by the Hancock County Sheriff's Office. Shortly following his suspension, De Nardo was relieved of duty and required to surrender his city-issued equipment. That's when he shot himself in the chest in the parking lot of the police headquarters building. De Nardo was rushed

Fall Cleanup Today AT RUTH'S ROOTS

Photos by Cassandra Favre

THE BUTTERFLIES AND BUNNIES CALL RUTH'S ROOTS HOMES.

SEA COAST ECHO

Ruth's Roots fall cleanup is today October 20 from 1:30-3:30 pm.

"We are excited to be welcome the associates of the Sisters of Mercy who have chosen Ruth's Roots as a service project," organizer Rachael Ramsey said. "We have lots to do in the garden and they would love the community to come out and work with them. Please plan on coming out to support the garden and their mission. We'd love for you to bring canned goods or hygiene items for

our blessings box. Books for the Free Little Library are always appreciated. Have teenagers that need service hours? They can earn them then."

Planned jobs for the cleanup include:

- Painting and touching up salad tables, bed surrounds, picnic tables, chairs, worm boxes, bee hives. This includes all over painting and decorative painting. There will be paint for the large jobs; decorative paints and paint brushes needed.
- Leveling the dirt in the rabbit enclosure and working on the hous-

es in it. Workers need to screed the dirt. Shovels needed. The houses need to be cleaned up and repaired with glue in some places. There will be nails and a caulk gun.

- The chicken tractor needs to be cleaned up. Just need elbow grease.
- The five plastic chairs need to be scrubbed and painted. We have spray paint and cleaning supplies.
- The deck and concrete need to be swept and cleaned. Push brooms needed.

THE LIVE OAKS AT 451 HWY.90, WHICH BOARD VOTED TO ALLOW THE REMOVAL OF.

Members of the Keep Waveland Beautiful Committee on Wednesday spoke to the Waveland Board of Mayor and Aldermen about its recent decision to allow the removal of two live oak trees at 451 Hwy. 90.

At the Oct. 2 meeting, the board approved a motion accepting Palm Development's site plan, which included the removal of the two live oaks. The motion also included a surety bond, in the amount of \$50,000 per tree to replace the trees if the project is not completed.

The plans for the property include the construction of an urgent care facility. Waveland's Planning and Zoning Commission voted to deny the request to remove both trees. Keep Waveland Beautiful co-chairs Bernie Cullen and Jim Meggett read aloud a letter from the committee.

Cullen said the committee received calls from citizens about the trees.

Deputies from the Hancock County Sheriff's Office this week arrested a Waveland man suspected of at least five murders in Louisiana.

DARRELL WILLIAMS, JR.

"The Hancock County Sheriff's Office received information from Sabine Parish (Louisiana) Sheriff's Office about a possible murder suspect located within Hancock County," according to a press release from Cmdr. Jeremy Skinner of the Hancock Sheriff's Office. "Sabine Parish sent a warrant for the arrest of Darrell Williams, Jr. on the charge of murder. Williams is believed to be responsible for up to five separate murders that occurred in the Sabine Parish area."

After receiving the warrant, the Hancock County Sheriff's Office tracked Williams and his wife Casi down at a Waveland Avenue apartment, Skinner said. "After Williams' address was located, the Hancock County Sheriff's Office began operations to take Williams into custody," Skinner said. At around 4 p.m. on Tuesday, the deputies conducted a stop on a vehicle that was occupied by Williams and his wife, Skinner said. "During the stop, agents located marijuana and a .40 caliber handgun,"

Waveland board hears update on blighted property

BY CASSANDRA FAVRE
STAFF WRITER

The Waveland Board of Aldermen on Wednesday heard an update from Darin Vega with Legendary Enterprises and Acquisitions, LLC of Alabama about the status of the property at 467 Hwy. 90.

At the Oct. 2 meeting, the board declared the property a menace to public health and safety. The site is the location of the former Travel Express Inn.

At the Oct. 2 meeting, Waveland's building official Josh Hayes told the board that the structures had several broken windows; deteriorating walls and roofing material; inoperable and unregistered vehicles sitting on the property; and overgrowth.

At the Oct. 2 meeting, Vega showed the board sketches for a "retro beach hotel" and also told the board that the non-profit organization Gulf Coast Christian Women's Corp was interested in purchasing the property to provide temporary safe housing to the women in their program.

The board had asked Vega to return on Wednesday and provide an update on property clean up.

Vega said Wednesday the overgrowth has been cleared, doors have

been replaced, windows have been fixed, and turned the water on.

About 20 hotel units had "very minor leaks," he said. However, the house had busted pipes, he added.

Security cameras were installed and no trespassing signs were installed on the property, Vega said.

He said that the roof needs some work and a mold specialist reviewed the structures and said that most of it is "surface." He said he also moved the cars, cleaned out all the rooms, and donated the mattresses to charities that wanted them.

Vega said he plans to tackle the electrical components next.

Aldermen Shane LaFontaine asked if Vega had found out how the 50 percent rule applied to the property.

According to FEMA, "if the cost of improvements or the cost to repair the damage exceeds 50 percent of the market value of the building, it must be brought up to current floodplain management standards."

Vega said he has not done that yet. Aldermen Jeremy Burke said that Vega needs to find out about the 50 percent because he could have completed a lot of rehab work that "didn't need to be done because it's still not going to be able to be rehabbed."

The board told Vega to speak with the building department to determine

the value of the property.

In other action:

The board approved a motion naming James Moody as the agent of record for Blue Cross and Blue Shield.

Smith announced that Wednesday's meeting would be City Clerk Lisa Planchard's last. She will be retiring effective October 31. Smith said Planchard has worked for the city for 22 years.

Waveland Comptroller Ron Duckworth provided a financial review for the period ending September 30. The total cash on hand for governmental activities totaled \$6,227,067 with \$3,956,360 on deposit in the depository account. The total cash for business activities totaled \$2,661,357, of which \$1,955,580 is on deposit in the utility department depository account, Duckworth said.

On the general fund revenue side, Duckworth said the ad valorem tax collections for the year "resulted in higher than budgeted revenues," and collections were approximately \$26,000 more than budgeted. The sales tax collections for the years

79-year-old woman killed in car crash in D'head

BY STACEY CATO
CONTRIBUTING WRITER

A 79-year-old woman died Tuesday evening after an automobile accident in Diamondhead. Peggy Hector was killed Tuesday after the driver of a 2018 Mercedes with four elderly occupants lost control of the vehicle and left the roadway for a short time before hitting a culvert, Deputy Sheriff Don Bass of the Hancock County Sheriff's Department said. The incident occurred at about 8:15 p.m. Tuesday in front of the Chevron

station on Diamondhead Drive.

According to Bass, firefighters attending to the scene had to use the jaws of life in order to help free the victims involved.

Hector was pronounced dead at the scene. The other three occupants of the vehicle were transported to area hospitals. The extent of their injuries was not released to the public.

city would be to see if you could keep live oaks from being cut down," Cullen said.

The letter stated that KWB "strongly supports economic development," but is also "concerned about the removal of healthy live oaks. Live oaks are synonymous with our coastal natural beauty and are historic natural treasures."

In addition, Cullen described many of the benefits trees provide to the community. Trees such as live oaks "reduce and slow stormwater runoff and naturally filter water to protect water quality," Cullen said.

"Trees provide shade and reduce the urban heat island effect found in areas

of paved surfaces," Cullen read. "Trees absorb airborne particulates, such as harmful emission from cars and other sources, and produce clean air. They reduce noise pollution and have been shown to reduce stress and lower blood pressure. There are numerous economic, environmental and societal benefits and values of trees that are often overlooked until they are gone."

The letter also stated that KWB feels that a local urgent care clinic would be beneficial to the community.

Cullen proposed that members of KWB, along with a certified arborist, work with the city to review and refine the city's tree ordinance.

"We would look to gather information from other coastal cities to see how we can improve our process to welcome new business while protecting our trees," Cullen read. "We are prepared to start this collaboration as

soon as possible."

According to the current ordinance, the two reasons for tree removal are if the tree is dead and if the tree impedes construction.

Cullen said the ordinance seems to need improvement and address what needs to be done to be more proactive in saving live oaks.

"Once they're gone, they're gone," Cullen said. "They can say they'll give us palm trees and that's nice, but palm trees aren't a live oak."

Waveland Mayor Mike Smith said he thought it was a "great idea" for KWB to collaborate and work on the city's ordinance. Smith added that it's a "hard decision" to remove those trees.

The board approved a motion to allow KWB to review and revise the tree ordinance.

Commercial driver license/hazardous material process change effective Oct. 22nd

SEA COAST ECHO

On Monday, October 22, 2018, the Mississippi Department of Public Safety's Driver Service Bureau licensing stations will no longer be accepting applications or processing fingerprints for Hazardous Materials. The Driver Service stations will only be testing for HAZMAT and placing endorsements on a Commercial Driver License.

On November 1, Mississippi will begin participating in the national Transportation Security Administration's (TSA) Universal Enrollment Services (UES) Hazardous Materials Endorsement (HME) enrollment services program. Mississippi drivers will no longer enroll for the HAZMAT background

check endorsement through their local DPS office; instead, they will utilize TSA's UES network for enrollment in the TSA Hazardous Materials Endorsement Threat Assessment program (HTAP). Drivers can pre-enroll and schedule appointments for their HME enrollment at universalenroll.dhs.gov starting on November 1. UES HME enrollment information such as required identity documents (CDL, proof of citizenship, photo ID) and FAQs can be found at universalenroll.dhs.gov. UES HME enrollment services are available at 340+ centers across the United States. Mississippi drivers can enroll for HME at any of these locations. Walk-ins are accepted at UES Enrollment Centers, but not recom-

mended, as appointments take first priority. Drivers can save time by enrolling for HME before taking their DPS CDL test. Drivers should begin the HME enrollment process at least 60 days in advance of their HAZMAT expiration. Current Mississippi locations (subject to change) where HME Appointments can be made: Vicksburg, MS: 2760 Highway 61 N Gulfport, MS: 192 30th Ave Greenville, MS: 819 Main Street Further information on the TSA Universal Enrollment Services program can be found at universalenroll.dhs.gov or by calling 855-347-8371.

BSL to celebrate bicentennial

SEA COAST ECHO

In 1818, the Mississippi Senate and House of Representatives of Mississippi incorporated the town of Shieldsborough. This being the bicentennial birthday of Bay St. Louis, a celebration has been scheduled for 3 p.m. on Saturday, Dec. 8, at Old City Hall on Second Street in conjunction with the Second Saturday Artwalk festivities. Mayor Mike Favre will unveil a historic marker for Old

Shieldsborough. In 1875, the town was reincorporated with the name Bay St. Louis. The birthday party will celebrate the history and sense of community enjoyed by local citizens paving the way for future generations. The Bay will take the opportunity to recognize the contributions the many community leaders and volunteers -- past and present -- that made possible the quality of life our citizens enjoy as residents of the best small town in America.

by ambulance to Memorial Hospital in Gulfport, but he did not survive.

A lengthy investigation into De Nardo's death by multiple agencies took many twists and turns, which ultimately led investigators to uncover payroll fraud, the illegal sales of multiple city-owned weapons, and a list of other wrongdoings within the city's police department under De Nardo's supervision.

City leaders informed the public of the \$50,000 bond recovery during Tuesday night's Bay St. Louis City Council meeting.

"It's not a per incident, it's a specific amount for that position, so this will be all of the money we recover related to De Nardo," city attorney Heather Smith said.

"What about the other officer who was paid illegally?" Ward 2 Councilman Doug Seal asked.

Brief chatter erupted among other council members as they tried to determine who Seal was speaking about, since multiple officers within the city's department at that time were relieved of their duties or left the department for other reasons.

"The one that we reimbursed, or are you talking about a family member?" Smith asked.

"Yes," members of the council replied.

City Comptroller Sissy Gonzales interjected, explaining that the FBI felt De Nardo had acted alone, so she didn't see how you would go about getting the money from the person's name that was on the actual payroll check -- De Nardo's ex-wife.

According to officials in 2016, the city apparently had kept De Nardo's ex-wife, Patricia De Nardo, on the payroll even after she left the police department

to take another job. De Nardo would have been in charge of turning in the payroll request for the police department. The FBI has never linked Patricia directly to the fraud itself.

"I think he was talking about the one where we had to reimburse a few weeks back," Mayor Mike Favre said.

In another recent city council meeting, officials authorized the return of suspected drug money that had been seized from an individual during an arrest after a lawsuit was filed. Just over \$2,000 was reimbursed to the defendant after a court order was issued. The reimbursement was made using funds from the city's reserve fund instead of returning the actual cash seized that should have been in evidence. The Sea Coast Echo was told by an anonymous source that those funds and other evidence seized were found to be missing from the city's "evidence locker."

According to Smith, the city plans to recoup more

funding by pursuing another former officers' bonds.

"Paperwork is being filled out on that one," Smith told city leaders. "We will probably submit it within the next couple of days."

A municipal bond like De Nardo's, is generally held by the city on any and all public officials. A claim can be made in the event that public funds are embezzled or criminally misused or abused in order to protect taxpayer monies.

The meeting was recessed until Oct. 23 at 5:30 p.m.

were \$43,850 in excess of budget, he said.

Duckworth said that all budgeted revenues are on track except for the police department operating grants.

"This occurred due to issues with the Department of Human Services reimbursing the city for the Domestic Violence Grant," Duckworth said. "Staff is still working to assure that all reimbursements are appropriately submitted and received."

General fund expenditures equal \$4,962,635 and this is about 93.29 percent of budgeted expenditures projected at \$5,319,694, Duckworth said.

The parks and leisure department was in excess

of its amended budget as of Sept. 30, Duckworth said. This was due to the addition of projects in the latter part of the year not included in the amended budget, he said.

The utilities revenues for the past 12 months ending Sept. 30 were \$69,926 over budget, Duckworth said.

"Expenditures at Sept. 30 totaled \$3,056,096 compared to the amended budget of \$3,565,749 or 85.79 percent of budget projections," Duckworth said. "Again this will change with the accrual of September expenditures that were paid in October."

As of Sept. 30, Duckworth said that all departments were "below or equal to budget for the year ended Sept. 30."

The next regular meeting is scheduled for Nov. 6 at 6:30 p.m.

line, just east of Keesler Federal Credit Union, Lagasse said.

The contractor was attempting to install two line stops to "enable a 12" high pressure water line to be rerouted, enabling a control box for the Hwy. 90 Walmart intersection to be installed," Lagasse said.

He said that the easternmost line stop was installed with no issue and the second line stop was installed immediately after.

"When the contractor made the cut to the reroute the 12" line around the area, the 12- inch ductile iron line released from the pipe on the west side and blew out into the hole," Lagasse said. "The contractor worked on the problem for two or three hours and it was finally discovered there was no way to empty the hole so the water could be stopped without shutting down the system.

Unfortunately, the system along Highway 90 consists of a 30-year-old ductile iron pipe with no shut-off valves to isolate the line, therefore no way being able to reroute the water."

Lagasse said the insert valve was installed at about 10:30 p.m. Through further investigation, it was

learned that the original pipe was cut and modified years ago with no record or as-built plans available, Lagasse said.

Water was restored at 1:30 a.m. on Saturday, Lagasse said.

"The city staff recirculated and released water through 28 fire hydrants within the city," Lagasse said. "They continued flushing throughout the weekend and the first test was completed Monday morning."

Lagasse also addressed why the water could not be tested on the weekend.

He said a bacteria test must be completed after a water system loses pressure.

"It (the test) consists of at least two, but most likely three tests, over a two-day period," Lagasse said. "Each test point must receive a passing mark or the test would be required to restart."

Lagasse said the company the city uses to test water, MicroMethods, was not open on the weekend. He added that it's "standard in the industry."

MicroMethods or the health department could do it, he said, but the health department is not open on the weekends either.

Lagasse said he doesn't know if the company tests the water during an emergency situation.

He suggested that the board explore the idea of arranging an agreement for

emergency testing, in the event of another line break occurring over a weekend.

Mayor Mike Smith also said the city needed to establish a better way to communicate emergency notices, because some residents were unaware it.

Alderman Bobby Richardson said he has received questions about whether residents would see a reduction in their bills.

"We were almost five days without drinking water, basically," he said. "For people who are used to drinking a lot of water in the household and especially people living on a fixed income, they had to go out and buy their water. \$15 could be a big deal for some people on a fixed income."

Smith said one way he is adjusting bills is that if a resident had to run their water for so long to get it clear and if the bill reflects an increase from what the original bill would be, the bill would be adjusted based on the average 12-month usage.

City attorney Rachel Yarborough said she would research the qualifications for adjusting the water bills.

COASTAL CLEANUP is Today

Just a reminder about the 29th annual Coastal Cleanup, which is scheduled for today, Saturday, Oct. 20. Of course, more volunteers are always welcome in all of the cleanup zones.

It is not too late to sign up as a volunteer. Individuals, families, groups and businesses are welcome to participate.

Among the areas where you may show up and can sign up for the cleanup Saturday morning: McLeod Park; North Beach Boulevard across the street from Bay-Waveland Yacht Club; South Beach Boulevard at Bookter Street, Bay St. Louis; South Beach Boulevard at Nicholson Avenue, Waveland and South Beach Boulevard at Vacation Lane, Waveland, in addition to other zone captain locations in Hancock County. The Cleanup includes Hancock, Harrison and Jackson counties. In Hancock County, most of the zone captains have been participating in the Cleanups for years. Trash bags, work gloves, etc., will be provided for volunteers.

The Hancock County Beautification Committee will collect and dispose of all the debris and trash the volunteers pick up.

The Coastal Debris Task Force includes folks from all three Coastal counties.

Once again we will receive assistance from the Hancock County Board of Supervisors Beach Crew, which will be collecting the bags of debris.

This year, Mississippi Coastal Cleanup has partnered with Plastic Free Gulf Coast, to raise awareness and stewardship on the topic of single-use plastic through education and alternatives to single-use plastics. Volunteers will be provided with cleanup supplies and are encouraged to wear hats and closed-toe shoes. They should also bring water, sunscreen, gloves and insect repellent. Volunteers will receive a free lunch after the cleanup.

Registration is available online at www.mscoastal-cleanup.org, or just show up, or call 877-BEACH 05 for more information.

The Bay St. Louis Rotary Club will provide hot dogs and refreshments for Cleanup volunteers at the Washington Street Pavilion in the Bay from 10:30 a.m. until noon or so. U.S. Rep. Steven Palazzo will supply the food.

Heating equipment to blame for 8 fire deaths in 2018

With lows expected to dip into the 40s in the coming days, now is the time to check heating equipment to make sure it's safe to use. Commissioner of Insurance and State Fire Marshal Mike Chaney says, "Having your heating equipment checked and using it as it is intended greatly cuts the risk of a fire in your home. Too many fires and fire deaths are caused by faulty heating equipment or people using ill-advised methods to stay warm."

So far in 2018, there have been 65 fire deaths investigated by the State Fire Marshal's Office. Of those, 8 were in some way caused by heating equipment in the early, cool months of 2018, from January to April. The National Fire Protection Association (NFPA) reports that half of home heating equipment fires are reported during the months of December, January, and February.

In 2017, there were 57 fire deaths investigated and, of those, 9 were caused by heating equipment or improper heat-

ing. The cause of heating-related fires is often space heaters.

"As days remain mild and nights grow cooler, many Mississippians, especially the elderly, who are more susceptible to the cold, are beginning to turn on

and use space heaters," Chaney said.

A 2010 NFPA report shows the leading factor in home heating fire deaths was heating equipment too close to things that can burn, such as upholstered furniture, clothing, mattresses, or bedding. Home heating fires peak during 6:00 to 8:00 p.m., and associated deaths peak during 2:00 to 4:00 a.m. The State Fire Marshal's Office recommends the following heating fire safety tips:

- All heating equipment should be UL® approved and cleaned and

- inspected by a qualified professional prior to being used each year.

- Remember to keep clothes, drapes, and anything else combustible at least 3 feet away from all heating equipment, especially space heaters.

- Inspect the space heater's power cord for damage, fraying or heat. If the cord inspection reveals any of these issues, the heater should be replaced. Proper cleaning is essential and should be done regularly.

- Never use space heaters while you sleep or in areas where children may be without adult supervision.

- Do not leave space heaters on when you are away from home.

- Always unplug space heaters when they are not in use. The heater should also be equipped with a tip over shut-off switch.

- Use only traditional heating equipment.

- Never use a stove or oven to heat living spaces. Kerosene is a poor choice for heating as it will give off poisonous fumes.

- Have chimney flues cleaned and inspected by qualified personnel.

- Have a spark screen that is age appropriate for all individuals using any area to be heated by a fireplace.

- Have a three-foot "kid-free zone" around open fires and space heaters.

- Burn only approved materials in a fireplace or wood-burning stove; never burn paper or trash in a fireplace or wood burning stove.

- Should a fire break out in the home, have an emergency evacuation plan for the family to follow and have a designated meeting place for all family members. Once everyone is outside the burning home, call 911 and don't go back inside the home under any circumstances.

Wildlife Laws in the United States

As we anticipate our Thanksgiving celebration this year, we should also be thankful for our bountiful wildlife populations. It is mainly because of our nation's wildlife laws which actually got its beginning in Mississippi. In the early 1900s, President Theodore Roosevelt came to Mississippi and went bear hunting. Roosevelt refused to shoot a bear and the story spread and hence the "teddy bear" was born to honor Roosevelt's conservation ethic.

Roosevelt was the pioneer of our first environmental agenda. In 1905, he worked with Congress to create federal wildlife reserves. He created the Forest Service. Since that time, many

laws have been passed for wildlife protection, restoration, and enhancement. Wildlife that is non-migratory is the responsibility of the Mississippi Department of Wildlife,

Fisheries, and Parks, who sets hunting seasons, bag limits, and other regulations for Mississippi.

Migratory wildlife, such as ducks and doves, are the responsibility of the federal government. The major federal laws are the Lacey Act, Migratory Game Bird Treaty Act, Migratory Bird Hunting Act, Pittman-Robertson Act, Marine Mammals Protection Act, Clean Water Act, and Endangered Species Act.

The Lacey Act, which was passed in 1900, prohibits the interstate transportation of illegally killed wildlife. This Act was passed to aid in curtailing market hunting.

In 1918 the Migratory Game Bird Treaty Act was passed. It allowed the United States to enter into a treaty with Canada to prohibit the killing of

migratory birds for commercial reasons. This act also places other restrictions on the taking of migratory birds.

In 1934, the Migratory Bird Hunting Act was passed; it requires duck hunters over the age of 16 to purchase a duck stamp before they hunt. Money from the sale of the stamps raises funds for refuges for migratory birds. The expenditure of such funds must be approved by the Migratory Bird Conservation Commission.

In 1937 the Federal Aid in Wildlife Restoration Act, or Pittman-Robertson Act, was passed. The act, which generates federal funds from taxes on hunt-

CHARLES JOSEPH DAVIS
ALAN GERALD JENSEN
PEGGY HECTOR

CHARLES JOSEPH DAVIS

Teacher, youth counselor, and Baptist pastor, Charles Joseph Davis—a deeply religious man who sensed his calling at an early age—succumbed to pancreatic cancer on Wednesday, at his home in Woodstock, GA, his wife of 51 years, Ellen, at his side. He was 76. Despite the serious role he assumed in life, Joe—as he preferred to be called—always had a twinkle in his blue eyes and a welcoming grin on his face. He adored people and was most at home ministering to those in need. Refusing to take himself too seriously, on the other hand, he relished playing practical jokes on his family, friends and students. The first of two children, Joe was born on October 9, 1942, in Charleston, SC, to U.S. Army Lt. Col J.M. Davis and Verna Lee Whaley. Although his father was a strict disciplinarian, Joe and his sister Barbara were raised in a loving home in Meridian, MS, where good values and a strong work ethic prevailed. An Eagle Scout, he enjoyed every genre of music, from gospel hymns to rock ‘n roll. Graduating with a BA degree from William Carey College, Hattiesburg, MS in 1965, Joe earned a Master of Theology from New Orleans Baptist Theological Seminary in 1969. Along with his Master of Theology, the chance to study at Golden Gate Seminary in San Francisco and work there as a summer missionary while in school were among Joe’s most memorable accomplishments. He also knew how to have fun, adored playing basketball as a youth and devouring fresh-caught seafood, especially if he caught it himself. A lifelong history buff, he grew to love bird watching, photography, reading, and visiting flea markets. He preferred to read history books and anything related to the Bible; and his movie tastes were wide-ranging, from Ben Hur to Shane and Rocky. One memorable story: As a young man, working part-time at a reptile farm in Waveland, MS, Joe lost a rare white ape. It had somehow escaped. Luckily, it was found a short time later and ended up sitting between Joe and his friend

in the front seat of Joe’s car as they returned it back to the zoo. A teacher by profession, Joe taught history at Hancock North Central High School (now Hancock High), Kiln, MS, from 1971-1991. But pastoring was his passion, whether for students or members of the many churches he presided over. He served as Associate Pastor & Youth Director at First Baptist Church, Bay St Louis; and Pastor at First Baptist Churches in Waveland; Pass Christian; Lakeshore, and (Gulf Gardens) Gulfport—all in Mississippi. A mutual friend introduced Joe to the love of his life, Ellen Brown, at graduate school in New Orleans, and they married in 1967, moving to nearby Bay St Louis, MS in 1969. They enjoyed being together most of all. Even though they would see each other at home at night, Joe would send cards to Ellen at work. It was a case of opposites attract, Joe’s laid-back style balancing out Ellen’s serious side. Two sons came along, Steven in 1968, and Scott in 1971. An extraordinary father, Joe spent a great deal of time with both boys, coaching little league baseball and shuttling them back and forth to various after-school activities. He taught them the importance of being kind and compassionate to all. Joe and Ellen moved to Woodstock, GA following Hurricane Katrina that devastated Bay St Louis as well as New Orleans. The same day Joe learned that Katrina had demolished his home of nearly 40 years, he traveled all over town, handing out coloring books and crayons to neighborhood children that had also lost everything. Moving to Woodstock allowed the couple to be just a car ride away from their children. Steve and his father had a fondness for eating gulf seafood, especially fresh crawfish. Scott felt “very fortunate” to devote a good part of the last thirteen years to his dad. Joe anticipated birthdays and anniversaries with glee, celebrating them with family at a fine restaurant or with a steak dinner at home. He regularly commented that the last birthday or Christmas was the “best ever.” Civic minded, he tended to disregard party and vote for the candidate he considered best suited to the job. At 6-feet tall, his brown hair turned grey, Joe made a somewhat whimsical first impression with his casual dress (except on Sundays) and giant-brimmed hat that blocked the sun. He loved the hat and didn’t give a hoot what others thought. Sundays, however, found him scrupulously attired in a suit and tie. Although he kept his own time, he was never, ever late for church. An extrovert personified, Joe was a chronic storyteller (remember the white ape?) and would repeat the same stories over and over, even when knowing the listener had heard them before. But his focus was as a pastor, a listener, who looked you straight in the eye. His favorite saying: “Major on the major, and minor on the minors.” Joe was a lifelong dog lover. His favorite pet, an Australian Shepard mix named Bailey, was always by his side—up until she preceded him in death. At the end, Joe was a member of the First Baptist Church of Canton, GA. If he were still here, he would undoubtedly be buried in a book or attending to members of his church congregation. He always made time for pastoring, visiting the sick and elderly in hospitals and nursing homes. Joe is survived by his wife Ellen Davis of Woodstock, GA; sons, Steven Davis of Suwanee, GA and Scott Davis (wife, Robin) of Atlanta, GA, and sister, Barbara Grider of Meridian, MS. A memorial service is planned for 11:00am, Monday, October 22 at Woodstock Funeral Home, 8855 Main St, Woodstock, GA 30188, with burial and service to follow on 11:00am, Friday, October 26 at Serenity Memorial Gardens, 8691 Old Pascagoula Road, Theodore, AL. In lieu of flowers, the family requests that donations be made to The Salvation Army, American Cancer Society or First Baptist Church, Canton, GA.

2018. Arrangements will be announced by Edmond Fahey Funeral Home in Bay St. Louis, MS.

Both Darrell and Casi Williams were booked at the Hancock County Jail, where Darrell Williams remains without bond. Casi Bradley Williams was released Thursday on a \$16,000 bond.

ALAN GERALD JENSEN

Alan Gerald Jensen passed away on October 8, 2018 surrounded by family. Please keep the family & friends in your prayers as they both grieve the loss and rejoice in Alan’s homecoming, filled with joy and peace.

Alan Jensen, the Breadman of Bay St. Louis and Serious Bread Bakery, was born on March 26, 1944 in Bend, Oregon to Gerald and Marguerite Jensen. Alan spent his childhood in both Southern California and Utah where he developed a strong appreciation for family, adventure, nature, geology, history (including native Indian, outlaw, pioneer, and dinosaur), as well as the desert, alternately finding mischief with his siblings in El Centro, CA followed by his Emery County, Utah cousins whose home he began sharing starting at age 13.

Alan’s adventures and interests moved global following completing his studies in Geology at Brigham Young University, which initiated a 37.5 year career as an oceanographer with the Naval Oceanographic Office. Alan’s travels would see him continue to embrace books and learning while immersed in other cultures, artifacts, food, life, and table/strategy games while stationed on survey ships for 2-3 months, visiting ports around the world.

In 1976, he married the love of his life, Vivian Anderson, and then moved promptly to the MS Gulf Coast where he resided for 42 years. Two children would soon follow, bringing the couple much pride and happiness.

Alan actively participated in his children’s

school and community including yearly scientific presentations to the students, and working as a science fair judge. He was a founding/planning member of the Scott Dembowski Memorial Soccer Complex in Bay St. Louis, MS. Through his Utah connections, Alan also facilitated a dinosaur footprint being donated to Waveland Elementary, efforts eventually leading to a Parent of the Year recognition. He was both teacher and mentor. Through words and example, he inspired many to invest in themselves and in their communities.

Retiring from the government in 2003, Alan immediately pursued the life of a ‘Serious Bread’ baker — succeeding through a combination of perseverance, determination, focus on quality, generosity, joy, service and community with the full support of wife Vivian. He delighted in sharing his talents, knowledge, and an easy smile with those willing to marinate with him for a bit. Alan would step aside from the busyness of life to spend intentional time with those around him. We were ALL blessed to know him.

Alan is survived by his beautiful and dedicated spouse, Vivian Anderson-Jensen. Alan’s spirit is alive and well in his children: Renee Jensen and Alan Jensen II (Rocio). He is survived by sister, Beth Wells (Don), and brothers, Peter Jensen (Sharon), David Jensen (Sally), and Tommy Jensen. He is also survived by two adoring grandchildren (Reylan/Alyana Jensen) and treasured by many nieces and nephews. He was preceded in death by his mother, Marguerite Jensen, and his father,

MARIE LOUISE MOSLEY WARREN L. SICK, SR

MARIE LOUISE MOSLEY

Marie Louise Mosley began her life on April 20, 1928, and left this earth surrounded by family and friends on Monday October 15, 2018 at the age of 90. She married Booker Mosely, who preceded her in death. She and Booker lived together for over 60 years, and had 8 children together. All of whom are left to mourn not just their father, but now their mother. Robert (Pam), Victor (Trish), Louis (Callie), Anthony (Betty), Larry (Marguerite), Michael, Elizabeth Wright (Curtiss), and Virginia Fryer (Michael). There are also many grand-children and great-grandchildren who will miss her. She was preceded in death by her parents Louis and Elizabeth Saucier.

While raising her children she also worked as a nurse and provided in-home assistance to the elderly and sick. Although she moved to Michigan many years ago, and raised her children there, she always called Mississippi home. The family came down to Bay St. Louis almost every summer to visit family and friends. She and Booker retired on the Mississippi Gulf Coast where they enjoyed the many festivals and parades in both Louisiana and Mississippi.

And, as all who knew Maweeze (as she is known by many in the Bay), her favorite past time was cooking. Cooking for family....friends... and those in need. After Hurricane Katrina she opened her home to volunteers, and made her way to the softball field to help cook, and provide whatever assistance she could for the many vol-

unteers and those in need.

Her doors were always open, her house always full...with family and friends, visitor from down the road, or from out of state. Stopping by for a quick visit, or to stay as long as they wanted-for they knew they were always welcome. There would always be food on the table, a place to sleep, and a hug to send you on your way.

For many of us left behind, we did not realize that that hug you gave us would be the last hug. And we thanks you. For your kindness, for your generosity, and especially for your love.

Funeral services will be held at St. Rose de Lima Catholic Church in Bay St. Louis, MS. Visitation begins 10:00 am. The funeral mass begins at 11:00, with burial in St. Mary's Cemetery. Baylous Funeral Home of Picayune, MS., will handle all the arrangement. A gathering of family and friends will be held immediately after she is laid to rest, at the St. Rose de Lima Holy Spirit Center across the street from the church. In lieu of flowers feel free to make donations to any local food bank or your favorite charity.

WARREN L. SICK, SR.

Warren L. Sick, Sr., 96, passed away Tuesday, October 16, 2018 at his home in Bay St. Louis, after a lengthy illness.

Mr. Sick was a native and life long resident of the Cedar Point Community in Bay St. Louis. He was a World War II Veteran having served in the United States Coast Guard. Mr. Sick was employed for 27 years at the Veteran's Administration Hospital, Gulfport Division as a nursing assistant. Mr. Sick was a member of Old Town Presbyterian Church in Bay St. Louis where he enjoyed singing in the choir, going to Sunday School and fel-

lowship. He was an exceptional fisherman, enjoyed working in his vegetable garden and yard, and listening to country music.

He was preceded in death by his loving wife, Agnes Russell Sick; parents, William and Alice Sick; two brothers, William Jr. and Alton and three sisters,

Lillian Givens, Alma Ruhr, and Louise Sick.

He is survived by his children, Donna Sick Pullman (Rocky) of McNeill, MS and Warren L. Sick, Jr. of Bay St. Louis and three grandchildren, Rodrick, Mallory and Melinda Pullman.

Visitation will be held Saturday, October 20, 2018 at Old Town Presbyterian Church in Bay St. Louis from 10:15 a.m. until 11:00 a.m. with a prayer service at 11:00 a.m. Burial to follow at Gulf Coast Memorial Cemetery in Bay St. Louis. Edmond Fahey Funeral Home in Bay St. Louis is in charge of the arrangements.

Public Hearing for Proposed Railroad Connection in Hancock and Pearl River Counties

SEA COAST ECHO

The Mississippi Department of Transportation (MDOT) and the Federal Railroad Administration (FRA) have scheduled an open forum public hearing to discuss a proposed project to connect the Port Bienville Short Line Railroad in Hancock County with the southern mainline of the Norfolk Southern Railroad in Pearl River County. The hearing will be from 4-7 p.m. on Tuesday, October 23, 2018, at the Stennis International Airport, 7250

Stennis Airport Drive, Room No. 202 in Kiln, MS. According to Commissioner Tom King, Southern Transportation District, the purpose of the proposed project is to provide access to dual class 1 rail service in an effort to improve transit times and reliability of deliveries. "Hancock and Pearl River counties host vital parts of our state's railroad infrastructure," said King. "It is important to address the need for this connection and improvements to rail service for the Gulf Coast and Pine Belt regions."

The public is invited to come and go during the hours of the hearing to view information and speak to MDOT representatives concerning design, right-of-way acquisition and environmental issues. No formal presentations will be made, but participants are encouraged to gather information and provide input related to the proposed project. Any individual who needs auxiliary aids or special accommodations to attend the hearing should call the MDOT Environmental Division at (601) 359-7920.

Valerie Winn signs The Dance Between at Pass Books

SEA COAST ECHO

Meet Mississippi native Valerie Winn, author of *The Dance Between*, on Saturday October 20th from 1:00 - 2:00 PM as she signs at Pass Books/Cat Island Coffeehouse. Winn's just released novel is the long-awaited sequel to *Forsaking Mimosa*. Beth Brinkmann isn't a little girl anymore, but not quite a young woman. Raised in a good home in a comfortable little southern town, she realizes she has a good life. But there are growing pains. Some are small, like trying to adapt to a new junior high. Others are deeply moving, such as watching the mother of a close friend suffer from multiple sclerosis. Beth, however, has her dad's moxie. As their bond deepens, Beth provides him with crucial insight into his relationship with his father, a most difficult man. Beautifully-written and heartfelt, *The Dance Between* is Valerie Winn's welcome and poignant return to Mimosa, Mississippi, and a coming-of-age story that will stay with you long after you've turned the final page. Sing along with Beth as she learns what true compassion is in the face of great difficulty, and dance with her on every step of her timeless journey.

ROCKS RUN PAST TIGERS 29-11

BY JOSEPH W. GEX, II
STAFF WRITER

The St. Stanislaus Rock-a-chaws traveled east on Friday to play in a historic stadium that overlooks Beardsley Lake in Jackson County. SSC topped the Moss Point Tigers 29-11 on their Senior Night to all but lock up second place in Division 8-4A. The Rocks (4-5, 3-1) seemed to do just about everything right in the first half on both sides of the ball; however, as good as they looked in the first half that is about as ineffective as they looked in the second half on offense. SSC head coach Nate Encrapera commented, "In the first half, we did some very good things on offense and we fought through some tough situa-

tions. In the second half, we did not do that on offense. Defensively, I thought we played well considering the situations we put them in." To start the game, the Rocks came out mixing it up. Max Favre had completions to Brandon Bordelon for nine yards, Dallas Payne for 12 yards, and Taylor Lafontaine for six yards. Bordelon ripped off runs of four, three, five and nine yards to keep the defense honest. On the ninth play of the drive, Favre hit Chris Smith for an 18-yard scoring aerial with 7:28 left in the first quarter. William Weber converted on the PAT to make the score 7-0. The Rock defense held firm forcing a three and out. SSC took over on their

own 23 yard line and on the second play of the series, Bordelon gashed the Tiger defense for a 73-yard scoring run with 4:43 left in the first quarter. Weber converted the PAT pushing the score to 14-0. The Rocks recovered an onside kick but could not do anything with the series and punted away. Each team traded possessions before Moss Point took over at the Rock 47 yard line. SSC linebacker Aaron Rush wreaked havoc on the Tigers sacking the quarterback for a seven yard loss on the second play and then intercepting a pass near midfield to give the Rock offense another chance. Favre went up top to connect with Payne for 40 yards down to the Tiger nine yard line. On the next play, Favre hit Jackson

Thriffley for a nine-yard screen pass for a touchdown with 7:39 left in the half. Weber's PAT made the score 21-0. The Rock defense held firm and SSC took over near midfield. Favre went back to Payne for 21 yards. Then, a series of penalties kept pushing the Rocks away from the goal line. Finally, Favre hooked back up with Payne for a 15-yard scoring aerial with 3:57 left before halftime. A Tiger penalty pushed the ball closer for the PAT and Bordelon went in untouched to make the score 29-0. The Tigers put together a methodical drive to close out the half but could not find the end zone. When the Rocks came out for the second half of action, their focus on

offense seemed to have dissipated. The Rocks were not able to gain a first down in the second half and consistently left their defense in tough situations. Moss Point found the end zone on a 27-yard run by Tytus Miles with 5:29 left in the third quarter. The PAT was good making the score 29-7. At the start of the fourth quarter, the Tigers sacked Favre in the endzone for a safety to push the score to 29-9. Then, with 1:20 remaining, Smith ran out of the endzone on a called safety to make the final score 29-11. Encrapera added, "For everything we did not do right to finish this game, I am glad for the win. Now, we have to get ready for a tough Pass Christian team

next week. They will be fired up to play as this is a rivalry game. Records don't count in games like this. These kids have been playing each other since pee wee ball. We have to find a way to stay focused for four quarters." In the game, Favre was 14-for-25 passing for 144 yards and three touchdowns. Bordelon led all rushers with 18 carries for 123 yards and a touchdown. Payne had four catches for 88 yards and a touchdown. The Rocks will host Pass Christian 'between the walls' next Friday for the regular season finale for both squads. It will also be Senior Night for the Rock seniors. Kickoff is set for 7pm. See you at the game!

HAWKS FALL TO HARRISON CENTRAL'S RED REBELS

BY DWAYNE BREMER
CONTRIBUTING WRITER

Harrison Central's defense forced four turnovers and registered six sacks Friday evening as the Red Rebels defeated the Hancock Hawks 35-23 at Brett Favre Field. "We got behind again tonight and were unable to overcome it," Hawks Head Coach Neil Lollar said. "I'm proud of the way we battled. These kids are not going to quit, we just have to find a way to get over the hump." The Red Rebels set the tone early when Javier Simmons intercepted Hawks quarterback Caleb Garcia and returned it 70 yards for a touchdown on the third play of the game. Hancock got on the board with a 20-yard field-goal by Austin Hyde midway through the first quarter. The score was set up by a Colby McGough fumble recovery. After a defensive stop, the Hawks marched into the redzone again, but the drive stalled and Hyde missed a 38-yard field goal with 11:13 to play in the second quarter. Harrison Central then marched 80 yards in 11 plays for their second score of the evening. Ricky Willis capped the drive with a one-yard run. Willis led all rushers in the game with 104 yards on 13 carries. A blocked punt led to the Red Rebels next score, when quarterback Dylan Anderson scrambled into the endzone from 13 yards

out. Anderson completed 13 of 17 passes for 137 yards on the evening. Trailing 21-3, the Hawks answered with an eight play drive that spanned 60 yards. Blake Comeaux converted a fourth-and-one with a 15-yard run, and two plays later, Comeaux barreled into the endzone from 10-yards out. Hyde added the point after to cut the lead to 28-10 with just 54 seconds remaining in the half. It was just enough time,

however, for Harrison Central to score again, as Anderson led the Red Rebels on a seven-play drive that ended with a 21-yard touchdown pass to Brandon Smith with just three seconds to play in the half. The Red Rebels extended their lead to 35-10 early in the third quarter when Willis scored on a 33-yard run. Hancock's offense then made a big play when Garcia connected with Brooks Rayburn for a 64-

yard touchdown strike. Hyde added the point-after to cut the Red Rebel lead to 35-17 with 9:07 to play in the third quarter. Garcia finished the contest with nine completions on 17 attempts for 162 yards and two scores, but he threw three interceptions. Late in the third quarter, the Red Rebels threatened again, but Hancock's Chance Wedgeworth stopped Gino Johnson on a fourth-down run at the Hawk 14. After trading punts, the

Hawks took over at their own 47 early in the fourth quarter. Garcia connected with Jordan Zulli on a 32-yard completion and he then found Peyton Miller for a 24-yard touchdown. Hancock went for two, but the conversion was unsuccessful, and the score remained 35-23 with 8:37 to play. After another Red Rebel punt, Hancock's Tanner Lemon returned a 20-yard punt to give the Hawks great field position at the

45. The Red Rebel defense, however, dug in and sacked Garcia on two consecutive plays to force a punt. The Red Rebels then ran out the clock and moved their record to 7-2 on the season. The Hawks fell to 2-7. The Hawks will travel to Biloxi next week and finish the season at home in two weeks against Pascagoula.

Bay High Tigers fall to undefeated East Central

BY DWAYNE BREMER
CONTRIBUTING WRITER

The Bay High Tigers hung tough for three quarters against undefeated East Central Friday evening, but ultimately fell 42-0.

The loss dropped the Tigers record to 1-8 on the season, but they can still qualify for a play-off birth with a win against Moss Point next week. The Tigers trailed 14-0 at half-time Friday, and 21-0 after three quarters, but East Central pulled away late, scoring three times in

the fourth. Despite the loss, Tiger Head Coach Ben Foreman said his team still has an opportunity to do something special. Moss Point is 2-3 in Region play, but a Tiger win would give each team a 2-4 record with the Tigers holding the head-to-head

tiebreaker. The game will be played in Bay St. Louis. "These seniors deserve a chance to play in a big game," Foreman said. "I want it for them, but they have to go out and earn it. We have played a lot of close games this year and we have

improved. It would be a great reward for the kids to be able to go to the playoffs. We have shown that we can play against the teams in this Region. We just have to go out there and play good football."

Pirates shutout on senior night

BY HUNTER DAWKINS
GAZEBO GAZETTE

Even with Pirates senior athlete Andrew Moffett stepping in place for injured quarterback Dustin Allison and running a Wildcat offense, Pass Christian (1-8, 0-4) was shutout again for the third time this season and has not scored any points since the third quarter of their game against East Central on October 5. The Pirates had four turnovers, including a blocked field goal returned for a touchdown. "We had the game in reach in the first half and then a touchdown called back," said Pass Christian Head Football Coach Casey Wittmann. "We just didn't do a good job of overcoming adversity in the second half." Pass High won the toss and elected to receive, as they came out in the Wildcat offensive scheme. Moffett ran his first of a ten-play drive for 37 yards until the Pirates turned the

ball over on downs in the red zone with 6:58 left in the first quarter. The Vancleave Bulldogs stomped down the field, putting together a 13-play drive before settling for a 28-yard field goal from Bulldogs quarterback/kicker Rov Johnson with 2:21 left in the first quarter, leaving the score at 3-0 Vancleave lead. Pass Christian and Vancleave switched possession twice before the Pirates organized a ten-play drive with 2 seconds left in an attempt to tie the game. The 24-yard attempt was blocked and returned by Bulldogs safety Christian Kell for an 86-yard touchdown with the clock expired for the half. After the extra point, the half-time score was 10-0 with the Vancleave Bulldogs leading. Getting the ball to open the second half, the Bulldogs drove nine plays and scoring 10-yard touchdown run by Vancleave running back C.J. Johnson. Once the two-

point conversion occurred with 7:49 left in the third, the Pirates had no answer for the 22 consecutive second half points. Two Pass turnovers led to two more touchdowns for the Bulldogs and securing

the game. When asked about the final game of the season next week against cross bridge rival St. Stanislaus, Coach Wittmann said it will be "a game of pride." The Pirates offensive sta-

tistics were Wildcat Quarterback Andrew Moffett rushing for 23 attempts for 95 yards. Pass Christian's other running back Gordon Ward had 8 rushing attempts for 69 yards.

Pass Christian High School plays their final game against St. Stanislaus at Brother Phillip Memorial Stadium at 7 p.m.

MAKE EVERY CAST COUNT

We get to see some "interesting" styles of fishing techniques on our boats. I don't ever poke fun at people for making mistakes. Heck, I constantly make them. Our guides do critique things we see, and there is one mistake we witness time and time again. Fishermen and fisherwomen, who don't cast with a purpose. Every single cast you make should have a target. This can be a jumping baitfish, a point, a sand bar, whatever. You need to get that lure or live bait into a possible "fishy" area every time. Assuming you are getting your casts where they need to be, then comes the work. What ever lure or live bait you are using, you need to be working that thing properly. "Walking the dog", twitching, popping, or tight lining are just a few of the methods to employ, after you make that good cast. Sometimes the fish of a lifetime will be on the first cast, other times it's on the last one. You never know when that next fish is gonna hit, so MAKE EVERY CAST COUNT. As always, have fun and be safe.

LADY HAWKS AND CRESCENTS GAIN 1ST ROUND WINS ON COURT

Hancock Lady Hawks senior outside hitter Maleah Austin gets ready to send one down.

BY JOSEPH W. GEX, II
STAFF WRITER

The high school volleyball regular season has come to a close and the postseason has started in earnest this past week.

The Hancock Lady Hawks and the Our Lady Academy Crescents both gained first round playoff wins on Thursday evening in their home courts.

The Lady Hawks (20-9) swept the Pearl Lady Pirates in three games 25-6, 25-11, and 25-10 in Class III first round action at Hancock on Thursday.

The Lady Hawks used strong defense throughout the game to defend many returns that came back over the net in an unorthodox way.

Hancock head coach

Rick Rechtien commented, "Our defense played very well tonight. It helped us keep our focus and the tempo up with all the Homecoming stuff going on. Up front, we were able to convert on several blocks. Now, we have to focus on getting prepared for a good Oak Grove team that has played us well this year."

Chloe Swilley and Maleah Austin led the squad with eight kills followed by Bella Thoennes with six kills. Harleigh Lafontaine had 18 assists and Jacey Garriga added nine assists. Swilley also added 15 points followed by Lyric Johnson with 12 points and Jena Stallings had 10 points.

The Crescents (22-16) swept the Jefferson Davis County Lady Jaguars 25-7,

The 2018 Hancock Lady Hawks volleyball team - Division 8 Class III champions.

25-7, and 25-6 in Class I first round action on Thursday evening at the Father Peter Mockler Gymnasium.

The Crescents overpowered the Lady Jaguars early at the net and allowed several people to hit balls across the net.

OLA head coach Mike Meyers stated, "This was a good start for us in the playoffs. We were able to return a lot of balls and we moved around well on defense. Now, we have to continue to get better at each level as the competition improves each round. We will host a very good Puckett team on Monday evening in the second round. We will be ready for them."

In the game, Rebecca Walk led the charge with 16 kills and two blocks fol-

lowed by Margaret Spencer White with eight kills, two aces, seven points and four digs. Lizzie Mirandy tallied seven aces, 13 points and three kills while Alma Hearin added 13 points and five aces. Camille Cottone had 17 points, five aces and four kills and Ashley Bulot finished with 32 assists.

On Tuesday, Hancock hosted OLA in the regular season finale with Hancock sweeping OLA 25-21, 25-13, and 25-19.

Meyers added, "I thought we played hard tonight and I applaud our effort. But, we were beaten by a better team this evening. We are looking forward to getting into the playoffs where we will be playing schools in our class and size. If we can play to our potential, I think we have a chance to

do well in the state championships."

OLA was led by Walk with 13 kills, two blocks and five digs followed by Mirandy with six digs and three kills. Bulot added three aces and 19 assists.

Rechtien ended, "I thought our defense was key to the match. They were solid especially on the back row which allowed us to pass the ball well. We got down in a hole in the first game but we maintained our focus and were able to recover."

Hancock was led by Austin with 14 points and 11 kills. Swilley and Thoennes each had nine kills followed by Reagan Huff with eight. Lafontaine added 38 assists and 13 points.

In upcoming action, the OLA Crescents will host

Puckett on Monday, October 22nd at 5:30pm in class I second round action. Puckett defeated Salem to advance.

The Lady Hawks will host Oak Grove on Tuesday, October 23rd at 6:30pm in Class III second round action. Oak Grove defeated Pascagoula to advance.

The winners of the second round games will advance to the state semifinals which will be held in Oxford at The University of Mississippi. Gillom Center. Class I semi-final action will be held on Thursday, October 25th and Class III will be held on Friday, October 26th. The state finals will be played on Saturday, October 27th for all three classes.

See you at the game!

Volleyball Players of the Week

Hancock Lady Hawks sophomore Kacey Lear helped Hancock to a 2-0 record this week with wins over OLA and Pearl. During the week, Kacey tallied 12 digs, 27 serve receptions and three assists from the back line.

OLA senior Margaret Spencer White helped OLA to a 1-1 record this week. OLA fell to Hancock on Tuesday and a sweep of Jefferson Davis County in the first round of the Class I state playoffs. During the week, she recorded 11 kills, three aces, seven points and six digs.

Horowitz, Benvenuti, Fisher and Stuart win J22 World Sailing Championship in Annapolis

The J22 Sailboat World Championship was won on Chesapeake Bay by Zeke Horowitz and his teammates Jackson Benvenuti, Jo Ann Fisher, and Emmy Stuart on September 11 – 13, 2018. The event was hosted by the Annapolis Yacht Club with 64 teams representing Canada, USA, Netherlands, and South Africa. Their J22 sailboat named Uncle Fluffy scored 6-1-6-(11)-5-6-2-3-3 (total 32 net points).

Horowitz and Benvenuti have been friends since they were in competition on the Optimist class travel circuit as pre-teenagers. The were both All – American team mates at the College of Charleston. Jackson Benvenuti grew up sailing in Bay St. Louis. Skipper Horowitz commented after the race about his tactician, Jackson Benvenuti, "He is such a gifted sailor. It is really such a pleasure to sit next to him and watch his brain work. How Jackson can focus on trimming the jib and also concentrate on watching the race course in order to make sound tactical decisions is truly remarkable."

conditions which must be carefully monitored just before and during the entire race. That game plan includes achieving a starting position of his J22 sailboat at the favored end of the line of 63 other J22 sailboats. A low risk/high reward game plan or tactic starting puts Jackson's boat in a low density area safely away from the pack ensuring a quick start. Likewise, after the start he must manage the fleet so as not to get boxed in on the upwind or downwind runs. A champion tactician must always have an innate view of the course, current, line and fleet during each race in the regatta. He must maintain a running dialogue with the skipper/helmsman and other crew which guarantees that they successfully manage the fleet, smoothly changing gears with minor

Medicare open enrollment

Open enrollment for 2019 Medicare coverage begins on Oct. 15 and runs through Dec. 7. During the Annual Enrollment Period, anyone age 65 or older or under 65 on Medicare for a disability may make changes to various aspects of health coverage.

When learning about enrollment, it's important to keep a few key things in mind when it comes to rules and risks. Medicare costs enough without additional penalty fees. Learn how to avoid these fees and make your Medicare experience as seamless and pain-free as possible.

"People need to know their plan options for 2019, do a plan review now with a Trusted Advisor at Gurley and Associates to get the best benefits for their needs," Medicare Advisor Kristine Gurley said this week.

Gurley, owner of Gurley and Associates in Bay St. Louis, has more than 15 years as a Medicare Health specialist, educating sen-

Kristine Gurley

iors along the Mississippi Gulf Coast about Medicare and drug plan options.

Gurley has earned multiple awards over the course of her career. She and her team represent a wide range of top-rated companies throughout Mississippi and Louisiana and pride themselves on making sure every client gets the information, care and kindness he or she needs.

Gurley and Associates also works to "make Medicare easy for our existing clients after their policies are in force," she said.

"We take you step-by-step through each enrollment process to make your transition as smooth as possible. Best of all, our services are completely free. You can rest easy while we help you take care of the rest. Take the time to talk to one of our trusted independent Medicare advisors today."

In addition to Medicare health plans, Gurley and Associates offers a wide range of Individual and Group Health Plans, Dental and Vision insurance, Final Expense coverage and Mortgage Protection.

Gurley and Associates is conveniently located at 10381 Hwy. 603, Suite C, Bay St. Louis. Hours are Monday-Friday, 9 a.m.-5 p.m.; and Saturdays, 10 a.m.-1 p.m.

Look at those big, brown eyes! This sweet boy is Clancy, a 3 year old Treeing Walker Hound mix, who has been on quite a journey over the past several months. He was found in a local junk yard with a severely broken leg, and unable to move. Thanks to our wonderful vet, Clancy's leg was splinted and saved

from amputation. He is now all healed up and looking forward to finding his forever family. He has the most affable personality, and he loves other dogs and people with equal fervor. He is a hound dog, after all. If you have experience with the breed, you know what sweethearts they are. Clancy would do best in a home with a fenced backyard, but he is equally happy chillin' on the sofa with the family. He does enjoy going for walks and playing with other dogs, so he would thrive in a home with existing family pets. Clancy is great with kiddos of all ages, and would be a trusted family dog. He also is most definitely BFF material for a single person, couple or active retirees. He is almost completely house trained, but may need additional reinforcement once in his new home. This brave fella is so deserving of a loving forever family. Please stop by the shelter at 7175 Texas Flat Rd, Kiln, to meet this wonderful boy. He will surely win your heart. Call 466 4516 for more information, and visit our Facebook page, Hancock County Animal Shelter, MS, to see more pictures of Clancy, and of the many other deserving animals looking for their forever homes.

Questions for Fact-Checking Detectives

Facts can be checked with research, and these days a lot of people use the internet for their research. Unfortunately, not all information on the internet is true and accurate. Here are some tips to help you do research on the internet more carefully.

The News Literacy Project provides a list of 10 questions to help people do research on the internet. Below are three of those topics. To see all 10, go to the source link below.

Gauge your emotional reaction:

Is it strong? Are you angry? Are you intensely hoping that the information turns out to be true? False?

Consider the headline or main message:

a. Does it use excessive punctuation (!!!) or ALL CAPS for emphasis?

b. Does it make a claim about containing a secret or telling you something that "the media" doesn't want you to know?

Consider the source of the information:

a. Is it a well-known source?

b. Is there a byline (an author's name) attached to this piece?

c. Go to the website's "About" section: Does the site describe itself as a "fantasy news" or "satirical news" site?

d. Does the person or organization that produced the information have any editorial standards?

e. Does the "contact us" section include an email address that matches the domain (not a Gmail or Yahoo email address)?

f. Does a quick search for the name of the website raise any suspicions?

SENIOR CITIZENS GET THEIR GROOVE ON AT 6TH ANNUAL PROM

2018 KING ELIJAH GILLUM AND PAT ROBERTSON

STORY AND PHOTOS BY CASSANDRA FAVRE
STAFF WRITER

Seniors citizens in Hancock County on Wednesday danced through the decades at the 6th annual Hancock County Senior Citizens Prom.

This year, more than 330 seniors attended the "event of the year," Hancock County Senior Center Director Arlene Johnson said.

"As they walked in, they brightened up," she said. "They looked around, sat with friends they hadn't seen in a while and just had an awesome time. It made them feel special."

This year's theme was "Dancing through the Decades," from the 1920s through the 1990s.

The dance is sponsored by the Hancock County Senior Prom Committee and the SALT TRIAD Committee with the Hancock County Sheriff's Office, Johnson said.

This year's prom committee members included: Johnson, Linda Pitts, Barbara and Bob Huett, Jim Thriffley, Leann Newman, Jamie Woods, and Amy Ivey, Johnson said. Barbara Huett also painted the back drop which hung on the stage.

The food was provided by SALT TRIAD Council and the prom committee. Doug Peterson and Andrew Johnson with the Hancock County Sheriff's Office helped set up and clean up after the prom and helped cook the food.

Tim Jones, LMSW of Praetorian Health Services served as emcee. Bay High School ROTC students presented the colors. Holy Trinity Catholic School's Leadership Ambassadors (5th and 6th graders) volunteered and distributed goody bags to seniors.

St. Stanislaus' Class of 2020 Leadership and Service Group volunteered during the dance. The students served food and also interacted with seniors.

11th grader Jackson Thriffley said it's good for the old and young to get together.

"It makes them feel young again," he said. "They can teach us stuff about life and what not to do and what to do."

Dawson Strong said the SSC Leadership and Service Group participates in a number of volunteer activities.

"Volunteering is one of my main prior-

ities," Strong said. "It's good for them (seniors) to get away and have a good time."

Brad Dossett said he introduced himself to several seniors.

"It's fun for them to get out because some of them live in homes," he said. "I made sure they had a good time. They can also teach us a bunch of things and we can bring a smile to their face."

Jan Rutherford of Diamondhead said she visits the Hancock County Senior Center three days a week.

"We love our driver Cesar," she said. "He helps everybody and takes us shopping. The prom is nice and it's nice to be able to do stuff like this."

Pat Robertson, who was also named the 2018 Hancock County Senior Citizen Prom Queen, said she is accustomed to serving as queen as a result of her past involvement in Mardi Gras krewes. This was also her first year attending the prom.

"It's very nice," she said. "It's good to bring the people together."

It was also Diana and Buddy Seal's first visit to the prom.

"I think it's wonderful," Diana said.

Buddy agreed and said, "it's a great thing to get together."

This year's king and queen were Elijah Gillum and Robertson, respectively.

Woodland Village won the prize for best table decoration.

Johnson also recognized her senior center staff members Michael Robertson, Jimmy Rouse, James Bordelon, Mel Raboteau and Cesar Mogollon for their work with the prom.

"They are wonderful, dedicated and kind," she said.

Johnson said that senior citizens are Hancock County's most prized assets.

"Our seniors have given so much to our community," she said. "To have a few hours away from the nursing home and house makes it special. For businesses to contribute makes it so nice."

This year's prom sponsors included: Seniors BlueBook, Southern Hearts Hospice, Hancock County Senior Center, SentryRehab, SALT/TRIAD of the Hancock County Sheriff's Office, The

Susan Sayavong recently moved from Tallahassee, Florida to be closer to her family in the Bay/Waveland area. Soon after, that move turned into a business venture, Sushilicious in Waveland. "I have a passion for cooking," Sayavong said. "I love seeing the excitement on customers' faces." Since opening her restaurant on June 2, Sayavong said, she has gotten to know her customers on a first name basis. Sushilicious is also family-owned and operated. She runs the business with her daughter Melissa. Sushilicious serves a variety of Asian cuisine items, including one of their more popular sushi items, the LSU roll. The LSU roll contains shrimp tempura, spicy tuna, avocado, fresh salmon, green onion, crunchy, and eel sauce. People will also find Sayavong every Saturday morning at the Hancock County Farmers Market, located on Longfellow Road in Bay St. Louis. Home delivery is now available with Tiki Delivery, Sayavong said. The restaurant is also available for parties. Private parties are available on Sundays with a reservation. Decorating is also available, she said. Sushilicious is located at 315 Hwy. 90. Restaurant hours are Sunday through Thursday from 11 a.m. to 9 p.m.; and Friday and Saturday from 11 a.m. to 10 p.m. Happy Hour is 3 to 6 p.m. For more information, contact staff at 228.344.3524.

Holy Trinity participates in MS Farm to School Challenge

SEA COAST ECHO

Farm-fresh sweet potatoes from Vardaman, MS, were the talk of the cafeteria at Holy Trinity. Students located Vardaman, MS, on the map and were presented facts about sweet potatoes as the school recently took part in the Mississippi Farm to School Network challenge.

To participate, Holy Trinity purchased a MS grown food and featured it on the menu during the first week of October. The Network encourages farmers to join with schools to provide Mississippi farm products to young students. This relationship not only builds Mississippi's agricultural economy, but also teaches people the significance of eating locally-grown, nutritious foods.

Bulot Inducted into The Honor Society of Phi Kappa Phi

SEA COAST ECHO

Nicholas Bulot of Diamondhead, Mississippi, was recently initiated into The Honor Society of Phi Kappa Phi, the nation's oldest and most selective all-discipline collegiate honor society. Bulot was initiated at The University of Mississippi. Bulot is among approximately 30,000 students, faculty, professional staff and alumni to be initiated into Phi Kappa Phi each year. Membership is by invitation only and requires nomination and approval by a chapter. Only the top 10 percent of

seniors and 7.5 percent of juniors are eligible for membership. Graduate students in the top 10 percent of the number of candidates for graduate degrees may also qualify, as do faculty, professional staff and alumni who have achieved scholarly distinction. Phi Kappa Phi was founded in 1897 under the leadership of undergraduate student Marcus L. Urann who had a desire to create a different kind of honor society: one that recognized excellence in all academic disciplines. Today, the Society has chapters on more than 300 campuses in the United States

and the Philippines. Its mission is "To recognize and promote academic excellence in all fields of higher education and to engage the community of scholars in service to others." More About Phi Kappa Phi Since its founding, more than 1.5 million members have been initiated into Phi Kappa Phi. Some of the organization's notable members include former President Jimmy Carter, NASA astronaut Wendy Lawrence, novelist John Grisham and YouTube co-founder Chad Hurley.

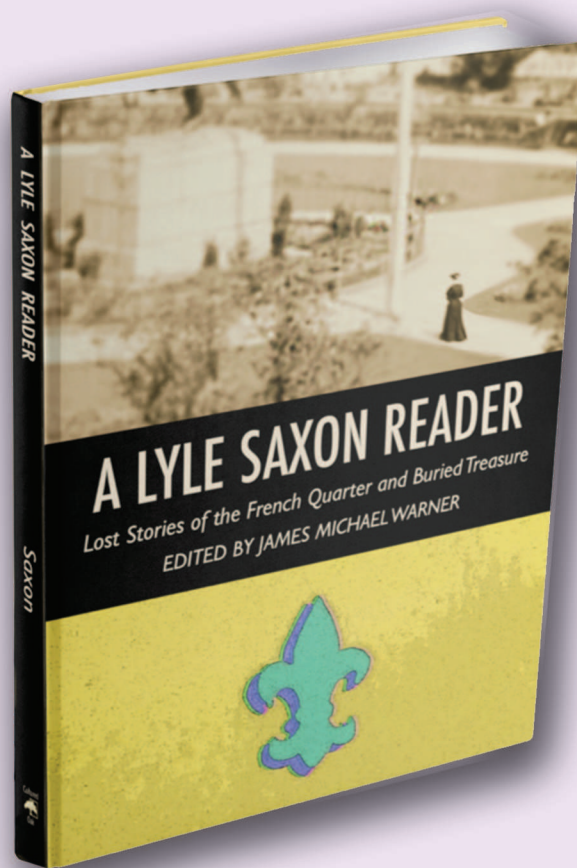

HYPE encourages all Hancock County residents to properly dispose of their unused or expired prescription drugs

SEA COAST ECHO

The DEA-Drug Enforcement Administration will have the next National Prescription Drug Takeback Day on Saturday, October 27th. The National Prescription Drug Takeback Day aims to provide a safe, convenient, and responsible means of disposing of prescription drugs, while also educating the general public about the potential for abuse of medications.

In Hancock County drop boxes are at the following locations:
Bay St. Louis Police Department (located in City Hall)- 688 Hwy. 90, Bay St. Louis (Mon.-Fri. Only)
Waveland Police Department-1602

McLaurin Street, Waveland
CVS Pharmacy in Diamondhead-4422 Kalani Drive, Diamondhead
On this day Waveland Police Department will provide transportation to residents of Waveland that want to dispose of medications. Call dispatch at 228-255-9191 and request a pickup.
Even though this is a very important day, we want everyone to know that the drop boxes are available anytime for the public to dispose of unused or expired medications. NO QUESTIONS ASKED.
For more information contact Cathy Pitalo at (228)463-8887 or email to cpitalo@hancockhrc.org@hancockhrc.org.

IT DOESN'T MATTER WHERE YOU ARE AT; THERE YOU ARE

BY GARY ANDREWS

GARY@GADEVOTIONALS.COM

It doesn't matter where you are at; there you are! What a profound statement. Have you ever stopped and really thought about what this is saying to us.

I have heard this statement several times throughout my lifetime and have really never stopped to analyze the verbiage in it. This is tremendous statement and has much more meaning to it than most people will think about.

Many times during our life time we will be at a point where we need direction. We may not know where to turn or what to do but something we can't escape is the fact we are at that point in time. It is up to us to do the right thing and if we have allowed Jesus to be in control of our lives then this seemingly impossible situation will soon pass.

There are many families that face crisis because self-inflicted desires get in the way. Whether is a financial situation, a family problem, a death, an addiction to drugs or alcohol, or anything similar, we

allow ourselves to become stressed and start searching for answers. Many times we will look in the wrong places or to the wrong people for assistance and create an even deeper sense of stress and allow ourselves to become depressed over something that can be handled through prayer and seeking the Lord's face.

For Christians we have a promise that "if the Lord brings you to it, He will see you through it." All one has to do is read Psalm 91:4-6 to understand about the safety of abiding in the presence of God. God knows us better than anybody and also knows the trials and tribulations that will come our way. He is in total control and all of us that know Him personally understand this. Sometimes He allows us to go through these tough situations to remind us that He is our God and He is there for us and it doesn't matter what the situation is.

Personally he answers all of our prayers even though we may think He doesn't.

Many times His answers are not what we want to hear. As a country He is always here for us also. All we need to remember in recent years is September 11, 2001. I firmly believe that this was time when the Lord allowed tragedy and pain to come not only to many families but to all Americans and a proud country. It is my hope that we learned from this that the Lord is in control and He will take care of us.

It doesn't matter what kind of turmoil, pain, health issues, death, or any personal issues we have, we need to call on the Lord for strength and endurance to see us through them. Many times on personal issues he may not want us to do what we want to do, but wPrayer: Thank you Lord for the assurance that you are always with me no matter where I am or what I am doing. I know that you are in control and when I try to do things my own way and fail, you are there to pick me up and bring me back to reality. Amen.

DeLisle Elementary Recognizes Star Students

SEA COAST ECHO

Each month at DeLisle Elementary School, one Kindergarten through fifth grade student per homeroom is selected by their teacher as Star Student of the Month.

The Star Student program celebrates individual achievement by sustaining a culture of learning that not only values academic success, but elevated awareness of student contributions to the school community. Students who are selected must consistently demonstrate the school's

featured character trait of the month. For this honor, Star Students receive Mickey or Minnie Mouse ears, a certificate of recognition, and a free Play-All-Day pass to The Sweet Escape arcade.

STAR STUDENTS FOR THE MONTH OF AUGUST EXHIBITED UTMOST RESPONSIBILITY. PICTURED: FRONT ROW - AVERY WERNER, KAZLIE LADNER, ALI-GRACE MUNSCH, AND KATE NEEDHAM. MIDDLE ROW - HUNTER BLANTON, ALLIE DUBUISSON, REESE KINDLER, SANDRA CARTER, SKYLAR DEDEAUX, ANGELA ALLEN, AND TEAGAN TURNER. October 22

• The Pass Christian Historical Society will hold its monthly luncheon at noon. Our speaker will be our own historian, Becky Orfila! Becky will share with us the interesting story of Christine Northrop of Pass Christian, who witnessed the U.S. blockade of Vera Cruz port during the Mexican-American War (1862-1867). This presentation focuses on the blockade and the Northrop-Hadsell family experience. We will also welcome Lori Fisher with Pass Christian Middle School and some of her students for a "taste" of the upcoming Live Oak Cemetery Tour! The Historical Society is located at 201 East Scenic Drive in Pass Christian. Lunch starts at (noon). Cost for lunch is \$10 for members and \$12 for non members. Call 228-452-7254 or email president@passhistory.org to make reservations. Everyone is welcome to attend this luncheon. All proceeds benefit the Pass Christian Historical Society.

October 24

• The Hancock

County Alliance for Good Government is sponsoring a Political Forum for the upcoming Waveland Municipal Elections on Wednesday, October 24, at 6:00pm at the Waveland City Hall Board Meeting Room on Coleman Avenue. The moderator for this year's forum will be Joe Gex and a panel of local journalists will question the candidates on the issues Waveland has faced in the last four years, and plans for the City going forward. Candidates may bring campaign materials for distribution and those wishing to participate should call 228-493-4358.

October 25

• The Community Leaders Forum continues with the three candidates for the 8th Chancery Court District Place 3 affecting Hancock, Harrison and Stone counties: Judge Margaret Alfonso, attorney Dianne Ellis, and Judge Sandy Steckler, the current incumbent, who will present themselves along with a discussion of the importance of Chancery court in the lives of everyday citizens. The aim of this civil discourse is to inform the voters who get to select from these three highly qualified candidates in this non-partisan judge's election on Nov. 6. The public is invited to this program sponsored by the Hancock County Democrats & the Diamondhead Democrat, Progressive, & Independent Alliance in cooperation with the Hancock County Library System. As a project of the Hancock

County Democrats, the Community Leaders Forum presents issues of interest to the entire community. The public is warmly welcomed to the Leo Seal Meeting Room of the Bay St. Louis Library. Doors open at 5 p.m. for Meet & Greet. The program starts promptly at 5:30 p.m.

October 26

• Every year on Halloween day at sunset, Hancock County Historical Society members in period dress portray citizens buried at Cedar Rest. This year will mark the 24th annual presentation of the tour. Hot dogs, chili dogs, homemade cookies, and punch are some of the refreshments served at Lobrano House during that time, and there's always plenty of candy for the kids. Cedar Rest Cemetery is located at 200 S. Second Street, Bay St. Louis. Tour lasts from 5:00 p.m. - 7:30 p.m. The first tour begins at 5 p.m. with tours every 10 minutes. Tours last about 45 minutes and include eight of the "ethereal residents" of the cemetery. Admission is free, but donations are accepted. The historical society would appreciate volunteers from the community to assist as guides. If you wish to help with the event, call John Gibson at 228-342-7630 or the Hancock County Historical Society at 228-467-4090.
